**Hair:** Bald **Eyes:** Unknown

**Height:** 5' 10"

**Weight:** 141

**Poor oral hygiene - natural decay**

**No tattoos or scars.**

**Missing From:**

**Missing Since:**

**Details:** This unidentified white male was pulled Thursday, May 1, from the Mississippi River in St. Louis, Mo., at the 184.3 mile marker, just north of downtown St. Louis near Prairie Street.

The man was wearing several layers of clothing, including two pairs of size 36 pants, and size 10 work boots.

The St. Louis City Medical Examiner's office believes the body was in the water for approximately 2-4 weeks before being discovered.
